Board Game Donation Wish List:

Thank you so much for helping with our board game donation! This is one of the main activities that help with fostering close bonds between child and parent during the emotional visit. For the games, we ideally look for ones that are well-known, easy, and family friendly. Some examples of games:

- Sorry
- Trouble
- Chutes & Ladders
- Candy Land
- Card games (UNO, goldfish, old maid, etc)
- Memory matching games
- Counting and learning games

Please make sure they are **NEW** board games (wrapped/unopened), this will make it easier for processing when we bring them into the prison.

Additionally, we are seeking games that encourage communication and relationship building for children and parents. There are new card games that aid in this such as:

- Healthier Together
- Mix It Up
- The Empathy Game
- Get Closer

NOTE: Please make sure that the donation provided is appropriate for children.

- ✓ **No jail, prison, breaking out themed games (NOT APPROPRIATE)**

Please feel free to visit our Amazon registry for a more convenient way to donate.
